

RAINBOW 2019 IDEA BOOK !!!

WELCOME TO THE WORLD OF RAINBOW

Rainbow is Proudly Located in the Heartland of America, Beautiful Brookings, South Dakota

Children all across America are growing up with their very own Rainbow Play System®.

Let's Design Your Family's Dream Rainbow Play System !!!

We are celebrating 34 years of Building Childhood Memories® & we invite you to join our growing Rainbow Family of 1.8 Million Happy Children !!!

Your Rainbow® Swing Set is a Once-In-A-Lifetime Purchase!

If your children are younger, please shop as if they are 9 or 10 right now. They will GROW INTO our FULL SIZE RAINBOWS, built to last a lifetime & keep your children safe, happy & active throughout their childhood !!!

Welcome to Rainbow. We are Proud to Present you with an Absolutely Incredible Selection & Extraordinary Service !!!

- 180 Design Ideas, America's Largest Selection.
- 180 Option Ideas, America's Largest Selection.
- 200 Rainbow Showroom Locations to Serve You.
- Largest Playground Factory in the United States of America.
- Professional Delivery & Installation Service Available Nationwide.
- Rainbow's Exclusive Lifetime Warranty, Engineered to Last a Lifetime.

600,000 Installations
1,800,000 Children STRONG

The average American family has 2.2 children. Rainbow families are above the average with 3 children. Join our growing Rainbow family of 1.8 Million Children !

RAINBOW IS THE FINEST RESIDENTIAL PLAY EQUIPMENT IN AMERICA

This Plaque is our Mark of Excellence & your assurance of a great play experience.

What's in a Name?
EVERYTHING.
600,000 Installations & each one carries our Rainbow Plaque.

No other company makes **RAINBOW** branded swing sets. Always look for our Rainbow Plaque.

- Overall, More Enclosed Play Area

RAINBOW DELUXE SERIES

Presenting our Sunshine, Carnival & Fiesta Series. Featuring our Rainbow Deluxe Construction Detail & Engineering.

25 Years of Sunshine !!! 2019 represents a milestone in Rainbow's 34 Years of History as we Celebrate Sunshine, our #1 ALL-TIME MOST POPULAR Series !!!

Carnival's 25 Year Anniversary celebrates Carnival as our Best Value Series. Carnival is well established as Rainbow's undisputed best Bang for the Buck series for a quarter century !!!

Originated in 2004, Fiesta showcases our Fantastic Entry Level series with a 15 year reputation of being known as "Little Rainbows" !!!

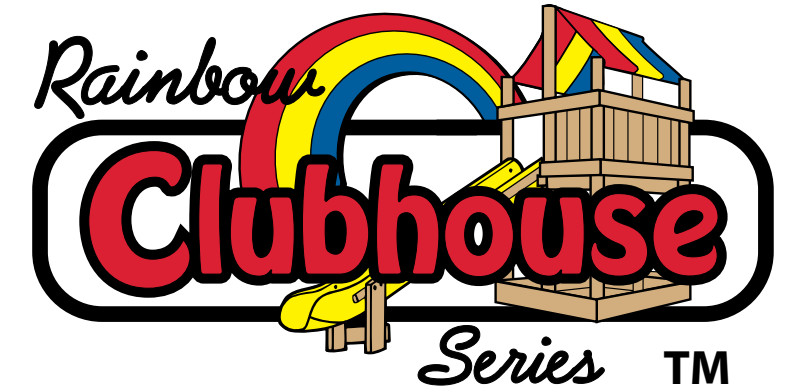

RAINBOW PREMIUM SERIES

Presenting our Rainbow, Monster & King Kong Series. Featuring our Rainbow Premium Construction Detail & Engineering.

Our Rainbow Series is Rainbow Play Systems Flagship Series. Rainbow is the originator of the Castle Style, which is our defining silhouette for over 3 decades & is the most emulated design in the residential playground industry. Our Original Rainbow Castle stands above the lesser grade copies with unmatched craftsmanship & quality.

Created in the 1990's for Rainbow Families who insisted designing their Rainbow Series even bigger. The Monsters officially became a Rainbow Play Systems Series in 1994. Monster boasts the most unique designs & our 2019 Monster line up stays true as our most unique series, including our ultra unique Huckleberry Hideout Series.

King Kongs are absolutely the biggest swing sets available in the entire wooden swing set industry. Rainbow Play Systems created our King Kong Series in 1994 by taking our Rainbow Series to New Heights. The Sky's the Limit !!! Nothing compares to our King Kong Series, you must see it to believe it. King Kongs are the biggest & the best.

the 12 RAYS OF SUNSHINE

For over 3 decades, our Rainbow logo has featured 12 Rays of Sunshine representing the 12 years of childhood.

1st Ray of Sunshine

You're Starting a Family

The greatest sentence ever spoken:
"We are starting a family !!!"

Shopping Check List	Item	Usage
<input checked="" type="checkbox"/>	Swing Set	12 Years
<input type="checkbox"/>	Crib	3 Years
<input type="checkbox"/>	Car Seat	6 Years
<input type="checkbox"/>	Stroller	6 Years
<input type="checkbox"/>	Bassinet	3 Months
<input type="checkbox"/>	Nursery Chair	3 Years
<input type="checkbox"/>	Tricycle	3 Years
<input type="checkbox"/>	Bicycle	6 Years

2nd Ray of Sunshine

Newborns, Infants & Toddlers ♥ Rainbow !!!

You will truly be amazed how quickly your toddler will become enchanted with their Brand New Rainbow.

3rd Ray of Sunshine

Little Kids ♥ Rainbow !!!

Rainbow Presents: Tomorrow's Corporate Climber.
With sheer grit & determination your child will reach the very top!

4th Ray of Sunshine

Healthy Active Play !!!

KIDS IN ACTION !!!

Your children will grow up Big & Strong with plenty of healthy active play on their Rainbow !!!

KIDS IN ACTION !!!

Say NO to couch potatoes 😞
Say YES to healthy, happy & physically fit children.

86% of children prefer outdoor play with friends to video games.
Family Kids & Youth

5th Ray of Sunshine

Night Time is Rainbow Time !!!

Even when the Sky is full of stars, your family will dream up ways to create fun Memories with your Rainbow that will last forever !!!

Camping Time is Rainbow Time

6th Ray of Sunshine

Year-Round Fun !!!

12 Years of Springtime Fun !!!

Fun in the Sun all Summer Long !!!

Have a Ball in the Fall !!!

Winter Time is Rainbow Time !!!

7th Ray of Sunshine

Beautiful.

The clean architectural design of a Rainbow Play System, along with the beauty & warmth of the wood, creates a natural backyard setting & is the finishing touch to your beautiful home.

8th Ray of Sunshine

Close to Home.

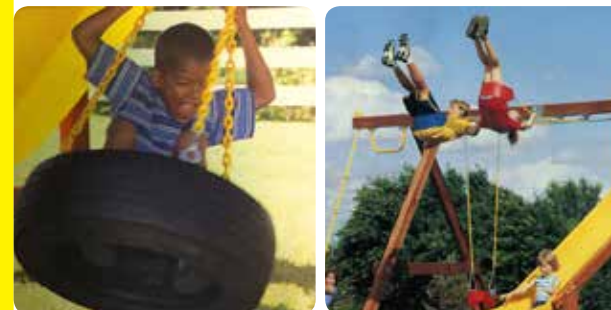

You Prefer Your Children Playing in Your Backyard Under Your Watchful Eye.

Your children will learn the art of hospitality while you meet all of your children's friends.

10th Ray of Sunshine

Big Kids ♥ Rainbow

Rainbows are HUGE !!!
Built to last a lifetime & keep your children safe, happy & active all 12 years of their childhood.

11th Ray of Sunshine

They grow up sooooo fast.

In the Blink of an Eye, Your Children Will Be All Grown Up, Enjoy Every Moment.

A family who bought a Rainbow in the 1990's recently sent us this photo of their children posing for a group photo on their Rainbow & going to Prom with their friends.

The 12 Rays of Sunshine

12 Years of Fun with your Children !!!

Your family's Rainbow naturally creates a happy place for you to be together with your children.

12 Years of Building Childhood Memories®

9th Ray of Sunshine

Many Birthday Parties with Your Rainbow

Rainbow is your Dream-Come-True Birthday Present !!!

Rainbow is that one uniquely rare, once-in-a-lifetime family keepsake that will grow up with your children.

RAINBOW SAFETY & DESIGN SPECIFICATIONS

Plastisol Dipped Ladder Rungs
Plastisol Dipped Ladder Rungs provide children a better surface to grip with their hands & feet as they climb while reducing slipping. Plastisol is extremely durable & won't chip or scratch. It also insulates the rungs from the heat or cold.

Powder Coated Safety Handles
Power Coated Safety Handles installed in key areas contribute to a feeling of comfort as a child is gaining access to an entrance or exit on their Rainbow Play System.

Recessed & Safety Capped Hardware
Extra attention to detail & safety includes recessed hardware throughout the play structure. The recessed hole has a routed edge & the bolt is double nutted capped off with an acorn nut.

Plastisol Dipped Safety Handles
Plastisol Dipped Safety Handles reduce slipping as your child pulls themselves up or lowers themselves down. Plastisol is extremely durable & won't chip or scratch. It also insulates the handles from the heat or cold.

Full Bucket Swing
Safely secures little ones in the swing seat. This full bucket design originated in the commercial playground industry & has been used for many decades as the safest possible swing for smaller children.

Vertical Spindle Safety Rails
Parents appreciate vertical slats because they prevent youngsters from climbing upwards. We use thick 2"x 3" boards which are attractively turned 90° to permit greater play supervision as well as allowing the natural surroundings behind the play structure to be seen.

Angled Safety Ladders
Logical safety design in all Rainbow components, the angled ladder design is much easier to climb up & climb down.

Ladder & Rock Wall Brackets
Used to brace the Ladder & Rock Wall securely to the play Structure creating a safe "no lift" design.

RAINBOW MATERIAL & CONSTRUCTION SPECIFICATIONS

Heavy Duty 18 oz. Canopy
Our Heavy Duty Canopy offers protection from sun or rain to make everyday a great day to play. Our removable canopy is easy to clean, thicker than most in the industry & manufactured with UV protective material to mitigate fading.

Big Beam Construction
Rainbow Play Systems are engineered to be rock solid & the foundation of our design is the abundance of big beam construction. Massive 4"x 4" & 4"x 6" timbers are utilized as structural components.

Notched Beam Construction
Essential for long lasting & durable structure. The notches that are cut into end of the brace are designed to gain maximum support by bracing wood against wood. This greatly reduces the force on the lag bolt that holds the brace in position.

Massive 1/2" Hardware
Rainbow's Castle & Clubhouse feature massive 1/2" diameter thru-bolt hardware utilized in the entire structure for unparalleled strength & stability.

Full 1" Thick Rope
Rainbow only uses 1" thick rope - no thin 1/2" or 5/8" rope. Utilizing a full 1" diameter rope creates easy to grab rope, very large knots & eliminates tangling.

Dual Bolt Construction Detail
Dual bolted construction detail throughout the play structure creates tremendous rigidity at the connection points for a vastly more stable structure than compared to the single bolt construction used by competitors.

Heavy Duty Ductile Iron 360° Tire Swing Swivel
Ductile Iron has more carbon steel than traditional iron & is unmatched in strength. 360° swivel is double bolted & double nutted, includes 3 ultra safe carabiner mountain climbing clips & is backed by our Exclusive Lifetime Warranty.

Super Duty 360° Tire Swing Swivel
Our Super Duty 360° Tire Swing Swivel is built with durability & strength beyond compare. It comes equipped with a rubber casing enclosure over the swivel action to keep it free from any entanglements.

RAINBOW CASTLE STRUCTURAL DESIGN

Absolutely the Sturdiest Free Standing Residential Play Structure in the World.

A **SPACIOUS 7' HEADROOM** The Super Flare design of our Castle Canopy creates the maximum amount of headroom over the entire deck area. The Super Flared Canopy increases the overall headroom on both sides of the Castle Deck area.

B **18 OZ. HEAVY DUTY CANOPY** Our Heavy Duty Canopy offers protection from sun or rain to make everyday a great day to play. Our removable canopy is easy to clean, thicker than most in the industry & manufactured with UV protective material to mitigate fading.

C **VERTICAL SPINDLE SAFETY RAILS** Attractive construction detail creates a safe rail panel with maximum stability combined with excellent visibility.

D **FASTENER FREE DECKING** Pre-panelized decking sections are designed to provide a safe, fastener free play surface by placing all hardware & fasteners underneath the Castle play deck.

E **TIRE SWIVEL** is the largest & most durable on the market. Ours is nearly twice the size of others!

F **TIRE SWING** has drainage holes to prevent water collection. Our rubber tires have a safer impact rating than hard plastic ones.

G **TWO EXTRA WIDE LADDERS** on our Castle design maintains the stability of the structure while granting ample space for children to climb together on either side.

H **DECK LEVEL TOP RUNG** provides a smooth transition to the play deck after completing the climb. Kids climbing the Rock Wall count on that Rung being there for them to grab hold.

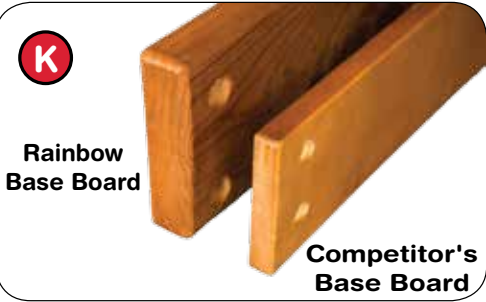

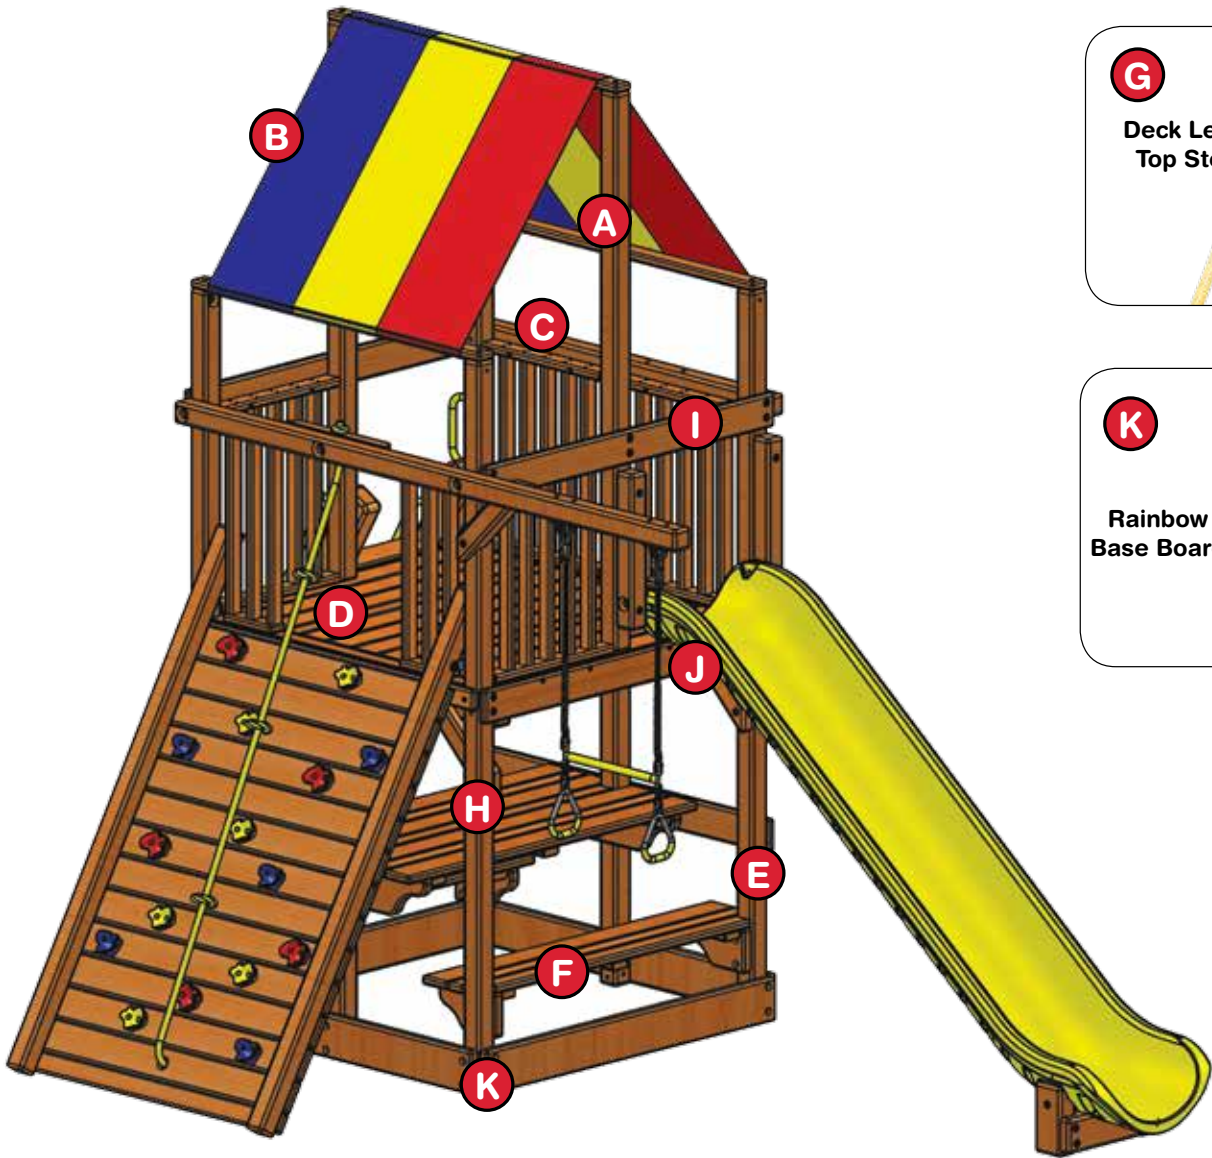

I **NOTCHED WOOD ANGLE BRACES** give maximum support by bracing wood against wood which greatly reduces the force on the lag bolts that hold the brace in position.

J **ROUND CLIMBING RUNGS** are designed to fit your child's grip. Round rungs add more structural integrity than flat rungs & are safer than steps without handrails.

K **LARGE 4" X 6" MAIN BEAM DECK SUPPORTS** with heavy duty 1/2" carriage bolt construction provide twice the load-bearing strength of the competitor's 2" x 6" deck supports.

L **LADDER GROUND RUNNERS** with notched wood braces give the structure more contact with the ground for maximum stability.

RAINBOW CLUBHOUSE STRUCTURAL DESIGN

A **SPACIOUS 7' HEADROOM** in the Clubhouse offers an open design providing additional height for your child to grow into their Rainbow play system.

B **18 OZ. HEAVY DUTY CANOPY** Our Heavy Duty Canopy offers protection from sun or rain to make everyday a great day to play. Our removable canopy is easy to clean, thicker than most in the industry & manufactured with UV protective material to mitigate fading.

C **VERTICAL SPINDLE SAFETY RAILS** Attractive construction detail creates a safe rail panel with maximum stability combined with excellent visibility.

D **FASTENER FREE DECKING** Pre-panelized Decking sections are designed to provide a safe, fastener free play surface by placing all hardware & fasteners underneath the Clubhouse play deck.

E **SIX STRUCTURAL UPRIGHTS** made from solid 4" x 4" timber are used for maximum stability. Our competitors use 4 uprights.

F **LOWER LEVEL CUSTOMIZATION** Choose what's best for your family, the most popular are Picnic Table, Sandbox, General Store, Dream Theatre, Lemonade Stand or Playhouse.

G **DECK LEVEL TOP STEP** provides a smooth transition to the play deck after completing the climb.

H **NOTCHED WOOD ANGLE BRACES** give maximum support by bracing wood against wood which greatly reduces the force on the lag bolts that hold the brace in position.

I **DUAL BOLT CONSTRUCTION DETAIL** Dual bolted construction detail throughout the play structure creates tremendous rigidity at the connection points for a vastly more stable structure when compared to the single bolt construction used by competitors.

J **LARGE 4" X 6" MAIN BEAM DECK SUPPORTS** with heavy duty 1/2" carriage bolt construction provide twice the load-bearing strength of competitor's 2" x 6" supports.

K **OVERSIZED BASE BOARDS** The foundation of our Rainbow Clubhouse features customized baseboards that are **TWICE AS THICK** as the competitors & creates a very solid Clubhouse Structural design.

RAINBOW'S EXCLUSIVE SUPER SCOOP SLIDE ENGINEERING

- “Scoop” design keeps kids in the center all the way down the slide.
- Super high sidewalls for maximum safety. The flared edges are easy to grab creating a super safe climbing ramp.
- Curved landing properly positions children for a safe exit with their feet on the ground.
- Wooden trim and big beam pedestal base for additional reinforcement and stability.
- Manufactured with the same material (high density polyethylene) that has been used in commercial playgrounds for over 40 years.
- Backed by Rainbow’s Exclusive Lifetime Warranty.

Extra high Super Scoop Slide side walls create a super safe Super Scoop Slide for all ages.

With the flared edges to grab on to, the Super Scoop Slide is a very safe climbing ramp.

Rainbow's Exclusive Super Scoop Slide is the absolute BEST Residential playground slide available in the industry.

Above the slide is our Grab-N-Go Bar that creates a super easy access to our Super Scoop Slide.

The Rainbow Super Scoop Slide is available in 11 foot & 15 foot lengths.

RAINBOW'S EXCLUSIVE SPIRAL SLIDE ENGINEERING

Rainbow's 360° Spiral Slide

- More Action !!! A full 360° turn.
- 20% larger diameter than competitor's spiral slide.
- A more consistent circular ride compared to competitor's "corkscrew" Design.
- 200% thicker walls than competitor's slide.
- Full elbow design creates 50% less seams than the competitor's split elbow design.
- Includes a heavy duty, big beam, wooden pedestal base for extra support and stability.
- Manufactured with the same exact material that has been in commercial playgrounds for over 50 years, rotationally molded high density polyethylene.
- Backed by Rainbow's Exclusive Lifetime Warranty
- OUR 360° SPIRAL SLIDE WEIGHT IS 6 TIMES AS MUCH AS THE COMPETITOR'S SPIRAL SLIDE.

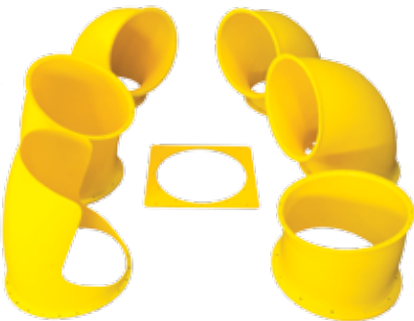

Rainbow's 270° Spiral Slide

- 100% thicker walls than competitor's spiral slide.
- Full piece elbow sections create 50% less seams more than the competitor's spiral slide.
- Double Wall Molded Landing section is twice as solid as competitor's spiral slide single wall lightweight landing.
- OUR 270° SPIRAL SLIDE WEIGHT IS 4 TIMES AS MUCH AS COMPETITOR'S SPIRAL SLIDE.

Competitors Lightweight Spiral Slide

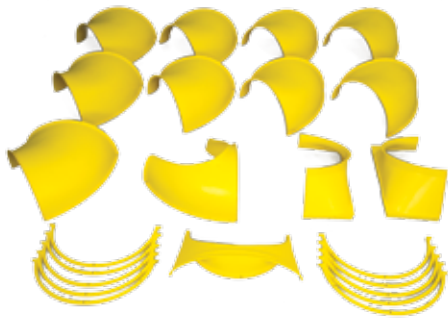

- Other competitors offer an Economy Spiral slide with thin walls, split elbow construction & a "corkscrew" design.

Rainbow's 7 Piece 360° Spiral WEIGHT is 180 lbs.

Rainbow's 5 Piece 270° Spiral WEIGHT is 120 lbs.

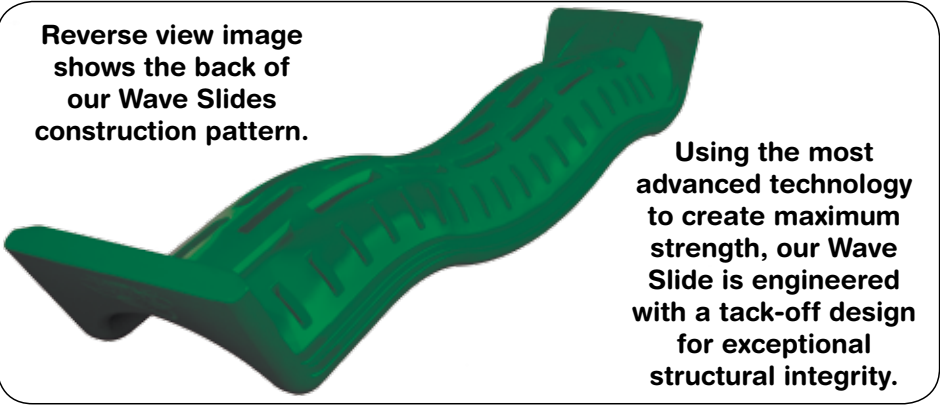

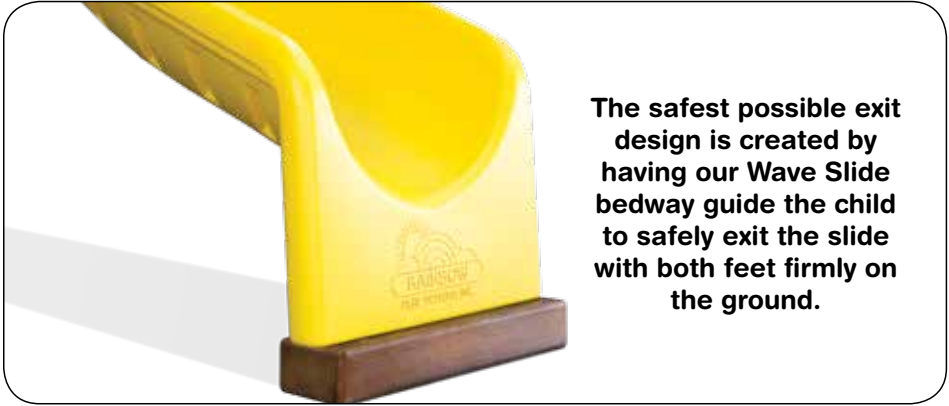

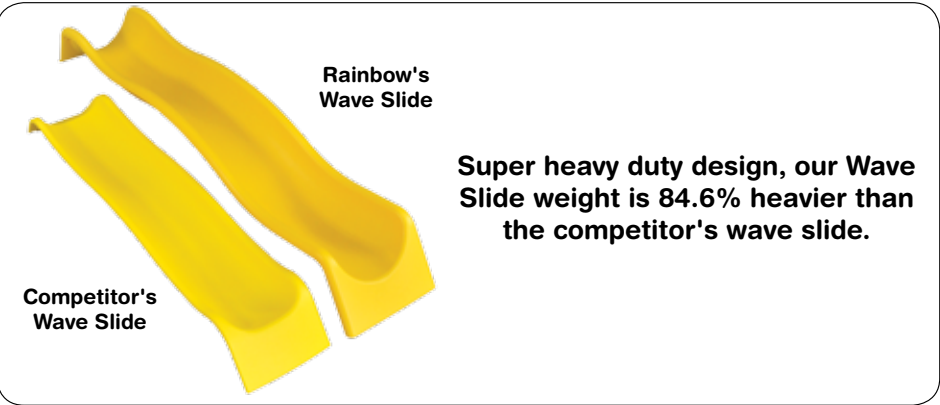

23 Piece Competitor's Split Elbow Spiral WEIGHT is 30 lbs.

RAINBOW'S EXCLUSIVE WAVE SLIDE ENGINEERING

10.5' Double Wall Wave Slide

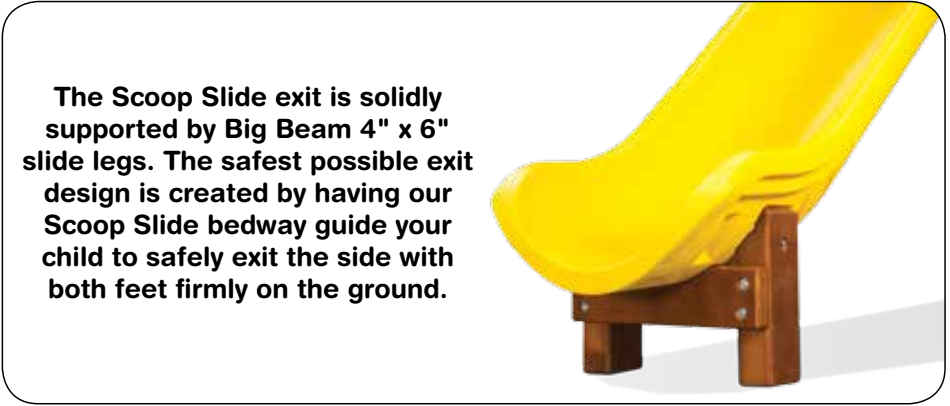

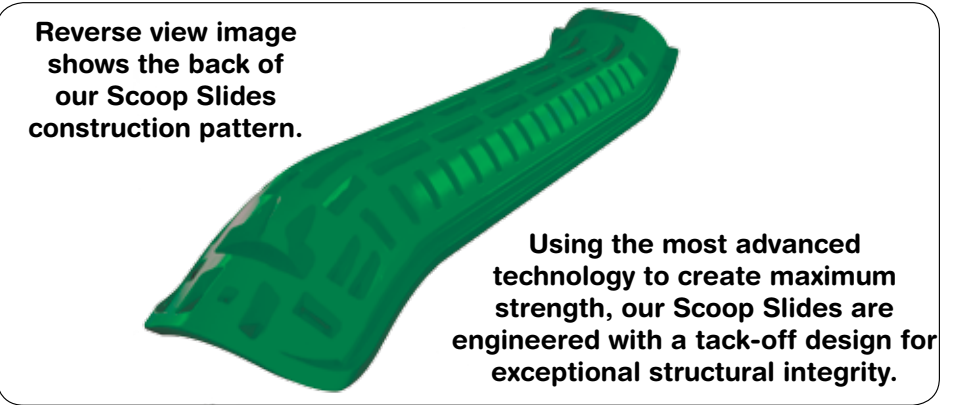

- Fantastic design creates an exciting wave into the slide bedway for a fun, safe sliding experience for all ages!
- Double wall construction detail is engineered for maximum strength, the highest level of safety & the most attractive overall appearance.
- Extra high side walls the entire length of the slide with even higher side walls at the entrance point create the safest possible design.

RAINBOW'S EXCLUSIVE SCOOP SLIDE ENGINEERING

10.5' Double Wall Scoop Slide

- Scoop designed bedway keeps kids in the center of the slide.
- Extra high sidewalls create a safe & secure sliding experience for toddlers.
- Big Beam 4" x 6" timber base is available in multiple heights to accommodate Rainbow Series as well as unlevel yard applications.
- Double wall construction detail is engineered for maximum strength. The highest level of safety & the most attractive overall appearance.

RAINBOW'S EXCLUSIVE SUPER DUTY SWING BEAM DESIGN

RAINBOW'S SUPER DUTY SWING BEAM MOUNTING PLATE
Utilizing four 1/2" carriage bolts to secure the swing beam to the base structure creates an ultra-strong & ultra-stable THRU-BOLTED swing beam connection point. The Mounting Plate is heavy gauge steel.

EQUILATERAL TRIANGLE A-FRAME SYSTEM FOR MAXIMUM STABILITY
Our wide stance equilateral triangle A-Frame design is engineered based on the unparalleled stability of our swing beam support legs creating an equilateral triangle.

EXCLUSIVE TRIPLE BRACKET SYSTEM
Another Rainbow original design that creates THREE connection points, is adjustable to accommodate any unlevel ground & has a proven track record being utilized on Rainbow Swing Beams for over 3 decades.

These men are professionals, please do not try this at home 😊

The Rainbow Exclusive Swing Beam design is engineered with incredible structural integrity & built to last a lifetime.

Rainbow provides the widest selection of solutions for unlevel yards in America.

Sunshine Extended A-Frame Leg for an unlevel yard.

Super Turbo Rainbow Extended A-Frame Leg for an unlevel yard.

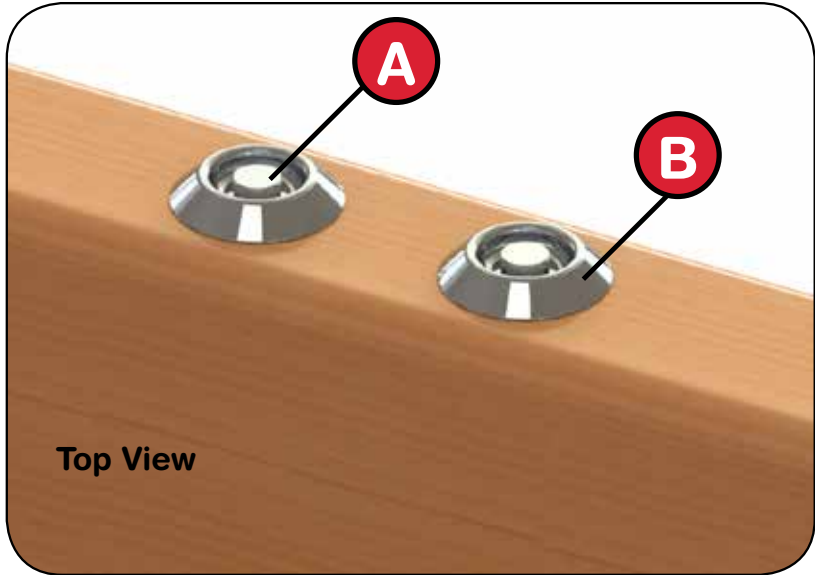

Double Extended A-Frame Leg for an extremely unlevel yard.

Two Extended A-Frame Legs for an unlevel yard that slopes away from main structure.

Five Year Warranty on Powder Coated Rungs, Powder Coated Handles, Powder Coated Brackets, Powder Coated Plates, Powder Coated Chin Up Bar and Powder Coated Corkscrew Climber & Fireman’s Pole.

100% NATURAL BIG BEAM CEDAR CONSTRUCTION

Rainbow celebrates over a quarter century of proudly constructing our Play Systems from the BEST lumber species available: **100% NATURAL CEDAR.**

All Cedars are Conifer trees which are highly decay resistant & successfully utilized in outdoor environments for hundreds of years.

DURABILITY - Cedar is a highly revered, durable lumber species that is naturally resistant to rot, decay & insects. University studies show Cedar's high durability to outdoor applications.

BEAUTY - Aesthetically, there really is no substitute for the natural beauty of Cedar. Ingrained with decidedly crisp, yet superbly rich, tonal properties, Cedar enhances traditional outdoor home decor & inspires innovative eye pleasing architecture.

SUSTAINABILITY - Independent studies prove that when it comes to environmental performance, natural Cedar is exceptional to synthetic products in every way. While other building materials generate greenhouse gases, Cedar actually removes greenhouse gases from the atmosphere. And unlike plastics & vinyl, Cedar is renewable & biodegradable. Plus, Cedar is sourced from the most sustainably managed forests in the world.

PROUD TO BE GREEN

SFI 5 Trees Are Planted For
Certified Every 1 Tree Harvested
SUSTAINABLE FORESTRY INITIATIVE

Rainbow is Dedicated to being Environmentally Responsible by teaming up with SFI Certified mills that harvest utilizing the Sustainable Forestry Initiative.

Cunninghamia Lanceolata is a prized species harvested in the Far East & renowned for its durability for hundreds of years in outdoor applications.
